Hi Blair,

Syrup is willing to take in tables and chairs for parklet near them. We've got the GC willing to do the Counter removal and have contacted Johnny Knight with elevated deck to provide us the tiles and pedestals.

The last remaining piece is the talbes and chairs. As you know we've transferred an amount to the BID to cover the costs. To expedite the process, we are asking you to purchase the tables and chairs in advance so their arrival lines up with the completion of the improvements.

Please contact Steve Prescott with Brixey Corporation (info below) and order
